Social skills and competences

Team spirit; good ability to adapt to multicultural environments and to new features, gained through my voluntary experience in Latin America (2001; 2002-2005; 2007; 2009; 2010; 2013) and my traineeship experiences at IRSTEA (Montpellier, France) in 2014 and 2015. Good communication skills gained through my studying and working experiences.

Organisational skills and competences

Good sense of organization, attention to details.

Technical skills and competences

User of Analytic Hierarchy Process (AHP) as decision making support for organizing and analysing complex decisions, successfully used in the planning of a Local Development Plan (see job experience with Fishery Local Group "dello Stretto") and in the scientific research experiences.

Computer skills and competences

Good command of Microsoft Office™ tools (Word, Excel, PowerPoint and Publisher); Computer Aided Drafting (CAD) (1st level); keen user of Internet.
