She/Her/Hers

Profile

I am a PhD candidate at Universidad de los Andes, School of Management, where my research focuses on understanding the place-based factors that influence decision-making for the implementation of Industrial Ecology. I work under the supervision of prof. Bart van Hoof, and together we are studying agribusinesses and ecotourism organizations that are leading regenerative processes of biophysical landscapes and social networks.

Education

To date PhD (c) in Management. Universidad de los Andes School of Management. Bogota, Colombia.

2023 MSc in Management. Universidad de los Andes School of Management. Bogota, Colombia.

2020 B.B.A. Universidad de los Andes School of Management. Bogota, Colombia.
