

**Stichting ISIE Foundation**  
**Yearly Operations Report 2024**

The ISIE Foundation Board was enlarged with Irena Dukic and Arnold Tukker, both agreed by the ISIE Board. Formalities require acceptance with the Netherlands Chamber of Commerce (KVK). This step is also required for taking responsibility for the operation of the ABN-AMRO Bank Account by them. The process has had its delays and has been finalized only for Arnold Tukker. The procedure of Irena Dukic with the Chamber of Commerce seems ongoing and is expected to be finalized soon. (The KVK has sent an email for additional information.) Then Irena can take over my role with the Bank Account as well, as intended already for the full year 2025.
